Health Insurance

Medical: As an employee at Trinity, you can choose from three medical plans insured by **BlueCross BlueShield**, with access to a nationwide network of quality providers. These plans cover preventive medical care and over 250 generic preventive prescriptions at 100%.

	Basic HDHP	Enhanced HDHP	PPO
Calendar Year Deductible			
Individual / Family	\$3,000 / \$5,500	\$1,650 / \$3,300	\$750 / \$1,600

Company HSA Contribution

Company HSA Match			
Individual / Family	Up to \$500 / \$1,000		N/A

All plans share the same network of providers, and cover the same services. The difference is how you pay out-of-pocket for healthcare.

The **High Deductible Health Plans (HDHP)** includes a Health Savings Account (HSA) with company contributions to help offset the higher deductibles. The **PPO Plan** offers cost predictability through fixed copays.

Pharmacy coverage is insured through CVS Caremark.

Spending Accounts: These plans, managed by **Optum Financial**, help you pay for out-of-pocket expenses and lower your taxable income. Trinity offers an HCFSA and HSA, based on your medical plan. Per IRS regulations, an employee may only enroll in the HSA if participating in a HDHP. The HSA provides both a company match and an up-front annual contribution. The HCFSA is a pre-tax spending account option for those in the PPO Plan.

Health Savings Account (HSA)	The HSA allows both employer & employee contribution which can be used for eligible health care expenses on a pre-tax basis.
Health Care Flexible Spending Account (HCFSA)	The HCFSA is funded by the employee on a pre-tax basis, and can be used to pay for eligible health care expenses.
Dependent Care Flexible Spending Account (DCFSA)	The DCFSA plan allows you to set aside pre-tax dollars to use for childcare or caring for a disabled spouse.

Dental: There are two dental plans, insured by **Delta Dental**.

The **Core Plan** has lower premiums, but a higher deductible (\$100/person) and covers services at a lower amount (Preventive: 100%, Basic: 60%, Major: 40%). The **Buy-up Plan** has higher premiums, but a lower deductible (\$50 individual, \$150 family) and covers services at a higher amount (Preventive: 100%, Basic: 80%, Major: 50%). The Buy-Up Plan also covers orthodontia (children & adults) up to \$1,500.

Vision: There is one vision plan available, insured by **Davis Vision**.

Davis Vision has a wide network of providers, and a discounted selection of frames, lenses, and contacts. Exams are \$10, and frames, lenses, and contacts in the Davis Vision collection are covered at 100%.
